DECLARATION BY HAROLD S. GORADESKY IN SUPPORT OF
PETITION TO CORRECT INVENTORS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with Rule 1.324, I, Harold S. Goradesky, hereby request that the inventorship of the captioned matter be changed as specified below.

1. An inadvertent error was discovered regarding the inventorship of the captioned matter during April, 2008, and during the preparation and filing of Serial No. 12/051,235, filed March 19, 2008. Serial No. 12/051,235 is a continuation of Serial No. 10/791,128, filed March 2, 2004, now U.S. Patent No. 7,369,656, issued May 6, 2008.

2. The captioned case was assigned to A.G. Findings & Mfg. Co., Inc., a Florida corporation, having a business address at 1133 Sawgrass Corporate Parkway, Sunrise, FL 33323 as indicated below:

Patent Appln. Ser. No. 10/791,128 (now U.S. Patent No. 7,369,656) at reel/frame 015040/0604.

Patent Appln. Ser. No. 11/156,861 at reel/frame 016715/0329.

Patent Appln. Ser. No. 11/253,781 at reel/frame 017123/0285.

Patent Appln. Ser. No. 12/051,235 (continuation of Ser. No. 10/791,128) at reel/frame 015040/0604.

3. The error in listing the inventor was discovered in April 2008, during a review of the preparation for filing of Patent Appln. Ser. No. 12/051,235 (continuation of Ser. No. 10/791,128). At that time, it was discovered that Harold S. Goradesky was improperly named as the sole inventor, without deceptive intent, in the following applications:

Provisional Patent Appln. 60/534,206, filed January 5, 2004;

Patent Appln. Ser. No. 10/791,128 filed March 2, 2004 (now U.S. Patent No. 7,369,656) (Declaration signed March 1, 2004); and

Patent Appln. Ser. No. 12/051,235 filed March 19, 2008 (continuation of Ser. No. 10/791,128) (Declaration signed March 1, 2004).

4. Another inventorship error was discovered in April, 2008 for Patent Appln. Ser. No. 11/156,861. This error in the listing of inventors for Patent Appln. Ser. No. 11/156,861 was also discovered in April 2008, and during a review of the preparation for filing of Patent Appln. Ser. No. 12/051,235 which is a continuation of Ser. No. 10/791,128. At that time, it was discovered that Harold S. Goradesky was improperly named as one of the joint inventors, without deceptive intent, in the following application:

Patent Appln. Ser. No. 11/156,861 filed June 20, 2005 (Declaration signed June 7, 2005).

5. Patent Appln. Ser. No. 11/156,861 filed June 20, 2005, correctly names Fernando Tages as an inventor, but improperly names Harold S. Goradesky as a joint inventor. Harold S. Goradesky was improperly named as a joint inventor on Patent Appln. Ser. No. 11/156,861 without deceptive intent by Harold S. Goradesky, and without deceptive intent by Fernando Tages.

6. The inventorship of Patent Appln. Ser. No. 11/253,781, filed October 19, 2005 (Declaration signed October 3, 2005) correctly lists Fernando Tages as an inventor. This Petition seeks to name Fernando Tages as the sole inventor of Patent Appln. Ser. No. 11/253,781.

7. I have been informed that counsel for A.G. Findings & Mfg. Co., Inc. waited until the Patent and Trademark Office issued Patent Appln. Ser. No. 10/791,128 filed March 2, 2004 as U.S. Patent No. 7,369,656 on May 6, 2008 in order to simplify the preparation of the present petition to correct inventors.

8. I have been informed by counsel for A.G. Findings & Mfg. Co., Inc. that any delay after May 6, 2008 until the filing of this Petition to Correct Inventors was due to a change in law firms by counsel.

9. I, patent owner A.G. Findings & Mfg. Co., Inc. and Fernando Tages and counsel for A.G. Findings & Mfg. Co., Inc. all acted diligently after the discovery of the improper inventorship in April, 2008.

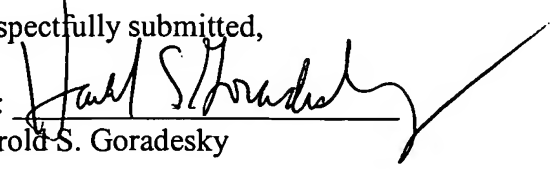

10. Patent owner A.G. Findings & Mfg. Co., Inc., consents and assents to this Petition to Correct Inventors.

11. I confirm and swear that these errors in inventorship were made without deceptive intent and this Petition was filed promptly after discovery of the error.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001.

Dated: 6/9/2008

Respectfully submitted,

By:
